Our fellow community business leaders:

The Madison Consolidated High School Cheerleading Squad is asking for your support to help sponsor our athletes in the 2019-2020 season. We have a large, new squad of 25 girls, this is our biggest squad yet! We have such high hopes and goals for this upcoming season. Our first and foremost goal is to raise enough money for mats. We would love to advance in both tumbling and stunting, but cannot do so safely without adequate mats. We would also love the ability to go to cheer and tumbling camps and clinics. Additionally, with a squad of this size, we do not have enough uniforms. Community support is very important to our cause. Monies raised through fundraising activities and donations, like this one, affect an individual and/or families currently participating in the MCHS Cheerleading program, by lowering expenses. Your donation will help support these athletes as they represent their school and our beautiful community at games and at school. Your donations affect more than just the immediate future of these athletes; it affects the choices of colleges, careers, and future families in our community. Your participation will have a far reaching effect as we watch these athletes grow into our future community leaders.

Below are the participation levels and benefits obtained with each:
