

I wanted to check in on where we are with events, payments that will be due soon, etc. I am trying to keep expenses spread out, at least over a couple of week time span to help.

- Several of you have already sent in clinic money. The total is \$65 for both stunt clinic and choreography clinic. I need to have this money by Monday, May 13th at the absolute latest.
- The next payment due will be a deposit toward our UCA camp. This is the 3 day camp we will attend July 29-31. I need a \$55 deposit for this camp by Monday, May 27. The remainder of the camp fee (\$100), won't be due until Monday, June 10. Please let me know ASAP if you CANNOT attend this camp. I need to get an appropriate, updated invoice to reflect this.
- Please notice, on the calendar, you will see that we have Varsity uniform fitting on Tuesday, May 28th at 4:30. It is essential that all girls are here that day for fitting. After this, the rep will generate an invoice for each cheerleader and I will print them and hand them out. However, the money is not due until we receive the order in its entirety, which could be up to 8 weeks later. That being said, your larger out of pocket expense for shoes, backpack, bows, briefs, etc won't be due until approximately July.
- I am researching an inexpensive shoe for us to purchase for football season, I believe I have found us some and they will be around \$50. I will update you on these ASAP. Let's plan to order and pay for these in June to spread out expenses. That way girls will have them to practice in all summer.
- Aside from our t-shirts, which I should have an update on soon, I just need to make sure that we have all orders in, that should pretty well cover your expenses as long as we generate what we need from sponsorships and fundraisers- which I have been quite pleased with so far! :D
